

WEEDING TABLE

Installation Instructions & Manual

Installation Instructions

STAHL'S
EUROPE • AFRICA • MID EAST

Step 1

Carefully unbox your Weeding Table and place it on a secure surface.

Step 2

Using the four (4) bolts and nuts provided, attach the material hold down bracket to the table.

Step 3

Secure the plug to the weeding table and plug into a 240 V power outlet.

Step 4

Turn on the Weeding Table by the power rocker switch located on the left side of the table. Select the temperature.
Low - approx. 40°C
Medium - approx. 48°C
High - approx. 54 °C
The temperature light will turn GREEN when proper temperature is reached.

Manual

Step 1

Adjust your Weeding Table to one of the 3 elevated heights, by lifting the outside edge of the table and tilting. Be sure the crossbar is secure before releasing.

Step 2

Secure media to the Weeding Table using the material hold down bracket or simply place material on top of the table.

Step 3

The Weeding Table comes equipped with a storage compartment on the front of the unit. Your work space is approx. 51x91 cm.

Step 4

The Weeding Table also has a ledge for holding your STAHL'S EZ-Weeder®.

Warranty

The warranty period of 2 years commences from the date of receipt by the buyer of the weeding table, which can be verified by the invoice or similar documents. The warranty does not cover any damage caused by normal wear and tear.
