# HP Everyday Matte Polypropylene, 3-in Core

## The HP large format printing system—the complete solution

HP Designjet, HP Latex, and HP Scitex Printers, Original HP inks and printheads, and Original HP printing materials are designed to work together as a system to provide reliable, consistent results with every print.

### Print durable, high-impact signs

#### Produce high-impact signs with vibrant color

Produce retail and POP signage and event displays with vibrant color and eye-catching image quality. This matte polypropylene provides excellent versatility and value across a wide range of indoor and outdoor applications. And it's recyclable.<sup>1</sup>

#### Print, use, handle, and laminate with ease

Maintain peak productivity. HP Everyday Matte Polypropylene is easy to use and handle, whether you're doing a quick print run or large production runs. Post-print processing is smooth and easy with this tear-resistant substrate.

#### Do more, with the environment in mind

This versatile Original HP printing material is designed together with HP Latex, dye and pigmented lnks—and it's recyclable through the free, convenient HP Large Format Media take-back program<sup>1</sup>.

Target customers	Applications	Benefits
Print service providers	POP/POS signs	Indoor and outdoor versatility
Retail store in-house printing	Retails displays	Tear resistance for easier handling
Event designers	Event and trade show displays	Recyclable through the HP Large Format Media take-back program <sup>1</sup>
Advertising agencies	Posters	
Geographic Information Systems (GIS)		
Government (printing maps)		

HP Large Format Media take-back program availability varies. Recycling programs may not exist in your area. See hp.com/recycle for details.
