

TexPrint®XP

EXTREME PERFORMANCE Digital dye-sublimation print paper

FEATURES:

Largest selection of weights, widths and roll lengths.

Quick-Dry

High color yield

Recyclable

Works on hard and soft applications

Waste reduction

TexPrint®XP is the original sublimation paper that does it all. Excellent for hard surfaces and metal transfers. Dries fast, resists cockling and takes extreme ink-loads while maintaining high definition and color fidelity.

CUSTOMER BENEFITS:

With two basis weights, widths to 3.2 meter and roll lengths to "mini-jumbo," TexPrint®XP is available in the exact put-up needed for your print environment. Enjoy less waste, fewer roll changes and more up-time.

TexPrint®XP dries fast, eliminating smudges and handling issues.

More color on your fabric, less ink left on your print-sheet.

Every ingredient in TexPrint®XP is fully recyclable.

Preferred by professional photographers, and exhibit builders, TexPrint®XP works well on both hard and soft substrates.

Available in individually boxed or bulk packaging. Volume users can save time and labor by ordering bulk packaging.
